National Property Inspections Recognized as GGAR Affiliate of the Year

Glen Carbon, IL – National Property Inspections was named 2011 Affiliate of the Year by the Greater Gateway Association of REALTORS® (GGAR) and received special recognition and a plaque at the association's annual Awards Banquet held on February 25 at the Gateway Center in Collinsville.

Although a smaller organization, National Property Inspections has made a big impact on GGAR, going above and beyond to make a difference both in the association and the community. They willingly donate their time and effort to many association functions; when they cannot help in person, they gladly provide a monetary contribution.

National Property Inspections also supports GGAR REALTOR® members by attending the annual events as often as possible. Their dedication to GGAR and its members makes them the stand out recipient of this prestigious award.

The Affiliate of the Year award is presented annually to an affiliate member organization of GGAR that actively participates in and volunteers their time and talent to the association.

The Greater Gateway Association of REALTORS® serves nearly 1,000 REALTOR® and affiliate members in the southwestern Illinois region including the counties of Bond, Calhoun, Fayette, Jersey, Macoupin, Madison, Monroe, and Montgomery. The Association strives to promote education, professionalism, and ethical conduct in the real estate industry; to advocate for the protection of property rights; to assist in providing Americans with safe and affordable housing; and to further the interest of property ownership.
