Greater Gateway Association of REALTORS® Adopts Make-A-Wish Child

Glen Carbon, IL — The Greater Gateway Association of REALTORS® (GGAR) is making a wish come true for a sick child and his family. The association raised \$5,000 during their Mardi Gras Scavenger Hunt for a special Wish Child through the Make-A-Wish Foundation® of Metro St. Louis.

Trevion is seven years old and is bravely battling AML, a form of leukemia. His one true wish is to go to Walt Disney World Resorts in Florida with his parents, step-brother, and two uncles. His adventure will take place sometime during the summer months when he travels to Orlando for a week-long vacation to Disney World and all of its theme parks. While Trevion enjoys St. Louis Rams football, chocolate, tacos, Wal-Mart, and Denny's restaurants, he is most looking forward to the experience that awaits him on his wish.

Thanks to the Greater Gateway Association of REALTORS® and all those who helped to make the fundraiser a success, Trevion can spend special time enjoying laughter and making memories with his family.
