The REALTOR® of the Year award is presented annually to one member of the Association who best exemplifies the professional qualities of a REALTOR®. It is based on a person's service and leadership in community and civic affairs as well as activities within the Association. Proceeds for the banquet benefit the work of the Foundation, a not-for-profit organization that promotes research and academic advancement in real estate subjects through a series of grants and scholarships.

The Greater Gateway Association of REALTORS® serves over 1,200 REALTOR® and affiliate members in the southwestern Illinois region including the counties of Bond, Calhoun, Fayette, Jersey, Macoupin, Madison, Monroe, and Montgomery. The Association strives to promote education, professionalism, and ethical conduct in the real estate industry, to continue to be an advocate for the protection of property rights, to assist in providing Americans with safe and affordable housing, and to further the interest of residential and other real estate property ownership.
