### **GGAR Supports Local Food Pantries**

Glen Carbon, Illinois—The Affiliates Committee of the Greater Gateway Association of REALTORS® (GGAR) has given back to the community by presenting local food pantries throughout the area with much needed supplies. The committee raised funds to purchase the items through their annual Chili Cook-Off, which was held in October. “Thanks to the generosity of the members of GGAR, we were able to assist the worthy charities in our community,” stated Maureen Donaho of Chicago Title Insurance Company, Chairman of the Affiliates Committee. “It means a lot to our committee to be able to give back to those in need,” she added.

During the delivery of the items, members of the Affiliates Committee were stunned to see first-hand just how desperate the pantries are for supplies. They urge anyone who is able to make a donation to a local food pantry to do so, especially during this holiday season.

The Greater Gateway Association of REALTORS® serves over 1,300 REALTOR® and affiliate members in the southwestern Illinois region and strives to promote education, professionalism, and ethical conduct in the real estate industry, to continue to be an advocate for the protection of property rights, and to further the interest of residential and other real estate property ownership.
